

Annual Membership Benefits State & Local Government

\$1,000

MAKE AN ELECTRIC DIFFERENCE IN TENNESSEE!

In addition to the benefits noted below, your support of DriveElectricTN (DET) will assist us in driving electric car, truck, school bus, work truck, mower, etc. adoption and use! We have developed a framework for building EV education and networking that is unrivaled in the southeast and plan to achieve our goals through effective partnerships.

- Inclusion of Your PEVs in regional "Ride & Drives" and "Showcases"
- DET Webinars: Company logo included in all webinars as member
- Website: Company logo and link (on homepage and member pages)
- Bi-monthly emails (24 emails + special emails):
 - ✓ Company logo in all emails as member
 - ✓ Opportunity to submit up to 2 news articles throughout the year
- Advising and Grant Assistance:
 - ✓ Up to 2 hours of fleet review, directional advice and company connections to help you make the best decisions on expanding the use of EVs or installing EVSE
 - ✓ Up to 2 hours of guidance on grant applications for your company
- Annual DET Education & Networking Conference:
 - > *expected in Fall 2022 as a virtual event*
 - ✓ Recognition as a DET member at the conference
 - ✓ Two free Guest Passes
- Invitation to serve on a Working Group and specific Task Force (or more than one)
- Access to member meetings & networking opportunities
- DET merchandise showing your support for DET and EVs
- Opportunity to submit 1 EV Personal or Business Q/A story
